CHRISTMAS AT HEARST CASTLE®

Christmas was one of William Randolph Hearst's favorite holidays. San Simeon was an enchanted setting for entertaining on a grand scale, and invitations to Hearst Castle® during the holidays were highly coveted. At Christmastime, The Assembly Room, The Refectory, and The Morning Room contain lavish decorations of hand-made garlands, brilliant red poinsettias, and two 18-foot Christmas trees fully decorated with twinkling lights and traditional ornaments.

The weekend after Thanksgiving begins this yearly tradition of Christmas decorations. The Experience Tour during the daytime includes these rooms for viewing. The Evening Tour program includes Living History Docents dressed in 1930s period clothing. Evening Tours are available Friday and Saturday evening with additional Sunday and weeknights added for most of the month of December. Tours are offered daily, except Thanksgiving Day, Christmas Day, and New Year's Day. Reservations are highly recommended due to the limited availability.
